

Jerusalem, 25 July 1991

Dear Minister,

I was gratified to learn from our Ambassador in Rome, Mr. Mordechai Drory, concerning his visit in Tirana, and I wish to extend herewith my thanks for your warm hospitality and for the interesting talks he held with you and your colleagues.

I take pleasure once again in renewing my invitation to you to pay us an official visit, and to join me in signing the protocol for the establishment of diplomatic relations between Albania and Israel, at Embassy level.

This will be your first visit to our country, its precise timing to be coordinated and finalized between us through the Ambassador of Israel in Rome.

It is our earnest hope that the establishment of relations between our countries, and your visit to Israel, will not only constitute an important, and virtually primal, milestone in our relationship, but will set a solid foundation for the future development and broadening of these relations in all possible domains.

Sincerely,

David Levy

His Excellency  
the Hon. Muhamet Kapllani  
Minister of Foreign Affairs  
Tirana  
Albania
